

Coastal GeoTools '05

Preliminary Program

| | 8:00 AM | 9:00 AM | 10:00 AM | 11:00 AM | 12:00 PM | 1:00 PM | 2:00 PM | 3:00 PM | 4:00 PM | 5:00 PM | 6:00 PM | 7:00 PM | 8:00 PM |
|----------------------|------------------------------------------|---------------------------------------|-----------------------|--------------------------------------------|-------------------|-----------------------------------|---------|-----------------------------------|-----------------------------------|---------|-------------------------------------------------------------------------|---------|---------|
| Monday March 7 | | Training Sessions | | | Lunch | Special Interest Meetings | | | | | Exhibitor Reception and Poster Session | | |
| | | | | | | Exhibit and Poster Setup | | | | | | | |
| | | | | | Registration Open | | | | | | | | |
| Tuesday March 8 | | Welcome and Keynote Address | B r e a k | Remote Sensing: High Resolution Data | Lunch | Benthic Mapping: Techniques I | | B r e a k | Benthic Mapping: Techniques II | | | | |
| | Shoreline Stabilization | | | Shoreline Databases | | Shoreline Tools | | | | | | | |
| | Hazards: Assessing Vulnerability | | | Coastal Hazards | | Visualization Methods | | | | | | | |
| | Planning: Social Science Applications | | | Data Sharing I | | Data Sharing II | | | | | | | |
| | Poster Hall and Exhibit Areas Open | | | | | | | | | | | | |
| Wednesday March 9 | | Benthic Mapping: Techniques III | B r e a k | Habitat Restoration: Planning | Plenary Lunch | Remote Sensing Coasts & Oceans | | Visit the Exhibitor Hall | | | Reception in Palmettos Pavilion (7:00 to 10:00 p.m.) | | |
| | Coastal Mapping Technologies | Coastal Mapping: Land Cover | | Ocean Observations for Coastal Managers | | | | | | | | | |
| | Internet Mapping | Data Sharing III | | Habitat Restoration: Remediation | | | | | | | | | |
| | Planning: Water Quality Tools | Marine Protected Areas: Tools | | Information Tech. for Managers | | | | | | | | | |
| | Poster Hall and Exhibit Areas Open | | | | | | | | | | | | |
| Thursday March 10 | | Benthic Mapping: Habitat Models | B r e a k | Remote Sensing with LIDAR | | | | | | | | | |
| | Shoreline Survey Methods | Fisheries & Protected Species | | | | | | | | | | | |
| | Ocean Observations: Data & Management | Benthic Mapping: Marsh, Kelp & SAV | | | | | | | | | | | |
| | Planning: Impacts to Resources | Planning: Visualizing Change | | | | | | | | | | | |

| | | | | | | | |
|---------------------------------------------------------|-----------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------|----------------------------------------------------------|--------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------|
| ■ Remote Sensing Track | ■ Benthic Mapping Track | ■ Coastal Mapping and Shoreline Change Track | ■ Coastal Hazards Track | ■ Data Sharing Track | ■ Integrated Ocean Observing Systems Track | ■ Information Technology for Managers Track | ■ Land Use and Community Planning Track |
|---------------------------------------------------------|-----------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------|----------------------------------------------------------|--------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------|
